RED WHEEL RIMS

(VESPA PRIMAVERA)^{RED} emerged from the partnership with (RED), which the Piaggio Group has supported since 2017. Founded by Bono and Bobby Shriver in 2006, (RED) seeks to encourage companies to allocate a sustainable cash flow to the Global Fund for the fight against AIDS and Covid-19, as well as boosting public awareness and keeping a focus on the issue. The characteristic Rosso Red colour scheme, which elegantly clads the entire body, also colours the wheel rims and the ergonomic seat, made in soft Nabuk, making (VESPA PRIMAVERA)^{RED} truly unique and recognisable at a glance.
